NOTES

Larger size comfortably fits users over six feet in height

Power lift provides assistance when getting in and out of the chair

Warm, gray Nanobionic wellness fabric contains infrared emitting minerals that recycle and enhance your body's energy while being stain-resistant and easy to clean

High-resiliency and memory foam zoned comfort in the backrest and seat provides additional support and pressure point relief

Removable Technogel head pillow for cooler sleeping comfort

Customize your comfort with a hand wand control that adjusts the headrest, lumbar support and Zero Gravity recline independently

Adjustable heat and air massage functions in the seat and backrest to soothe and relax tight muscles

Hand wand control includes presets for relaxation and sleep settings which can be reprogrammed to any position of your choice, while the wand control can be accessed from either side of the recliner to accommodate your dominant hand

Motion-activated LED base lighting turns on when you approach or get out of the recliner, and can be adjusted in brightness and color in the MyRecline app

Built to last with Flexsteel's patented Blue Steel Spring™ seat system, providing unmatched support and durability

Two side pockets on each side of the recliner provide ample space for storing magazines, remotes, and more

User-friendly MyRecline app technology allows you full control of your Zecliner's functions easily from your phone
